

Zero Tolerance for Violence Agreement

Our mission is to provide safe, nurturing, and supportive environments for our clients so that they may have the opportunities to develop their strengths, maximize their potentials and fully participate in society. In our efforts to create a culture of respect and to make this a safe and welcoming place, Ariel does not tolerate violence. Ariel asks that all individuals we serve review and sign this Zero Tolerance for Violence Agreement.

I understand that all segments, locations, and programs of Ariel Clinical Services are to be safe and violence free at all times.

I understand that all communication is to be respectful whether it is written, phone, or in person communication. I understand that raising my voice towards others, verbal abuse, any threat of violence or physical violence against staff or other people served by Ariel Clinical Services is strictly prohibited and will result in consequences up to and including discharge from services. This includes hitting or kicking people or property and/or any action designed or perceived to be threatening.

I understand that weapons or drugs of any kind are not allowed on Ariel Clinical Services property, and that violating this guideline will result in consequences up to and including discharge from services.

By signing, you are agreeing to abide by these guidelines. We hope you will join us in ensuring everyone's safety.
